**LOCAL ENGINEERING and SURVEYING FIRM GROWS OWNERSHIP GROUP**  
*Davis-Martin-Powell Names Partners*

**HIGH POINT, NC, April 7, 2011** — Davis-Martin-Powell & Associates (DMP), a locally owned and operated Civil Engineering and Surveying firm, is pleased to announce the firm has named the following employees as partners:

**Ben Palmer, PE:** Mr. Palmer is a 1995 graduate of NC State University and has been with DMP since 1995. Mr. Palmer is a Senior Project Manager for various water/wastewater and site development projects.

**Andy Larrick, PE:** Mr. Larrick is a 1995 graduate of NC State University and has been with DMP since 1996. Mr. Larrick is a Senior Project Manager for municipal water/wastewater projects.

**Charles Morgan, Jr., PLS:** Mr. Morgan is a 1984 graduate of Guilford Technical Community College and has been employed at DMP for a total of 12 years. Mr. Morgan is DMP's Survey Department Manager and is active in the North Carolina Society of Surveyors (NCSS), serving as Central Chapter President.

**Michael Goliber, PE:** Mr. Goliber is a 1993 graduate of Virginia Tech and has been with DMP since 2001. Mr. Goliber is DMP's Business Development Director and also an Engineering Senior Project Manager.

“We are pleased to offer this opportunity to this group of long-term employees and feel that we have established a solid foundation for DMP to build on for the future” said Michael Slusher, DMP’s President. The new partners join current partners Mike Slusher, PE, Randy McNeill, PE, Eddie MacEldowney and Robert Davis. DMP, founded in 1965, provides engineering and surveying services to public and private clients across a service area including North Carolina, South Carolina, and Virginia.
