DMP Full Service List

DAVIS • MARTIN • POWELL
ENGINEERS & SURVEYORS **dmp**

Planning

Capital Project Planning
Powell Bill Mapping
Sanitary Sewer Evaluation Surveys (SSES)
Water/Wastewater Rehabilitations
GIS Integration, Mapping & Database
Management for Infrastructure Layers
Water Modeling & System Analysis
Web Accessible Project Database

Grantsmanship & Funding Assistance

Funding Agency Coordination and Application
Assistance
Davis-Bacon Compliance Reviews
Engineering Reports and Environmental
Impact Documents

Water/Wastewater Faciity & Infrastructure Design

Water Distribution
Wastewater Collection
Large Diameter Pipeline
Water / Wastewater Treatment
Pumping Facilities
Well Systems
Reclaimed Systems
Instrumentation, Control, SCADA
System Rehabilitation
(water/sewer/storm)
Equalization and Storage Facilities

Hydrology / Stormwater

Planning/Design/Compliance Stormwater
Treatment Stormwater Management On-
site Treatment System Inspections Water
Quality Enhancement Flood Modeling and
Routing Biocell and Constructive Wetlands
Facilities FEMA Map Revisions

Transportation Systems

Street and Road Improvements
Sidewalks and Greenways
Roadway Utility Conflict Coordination &
Resolution Design
Annual Paving and Resurfacing Contracts
Roadway and Hydraulic Design
Construction Management

Geomatics

ALTA Surveys
Boundary Surveys
Route Location Surveys for Utilities and Roadways
Easement Surveys
Topographic Surveys
Site Planning Surveys
Subdivision Surveys
Construction Surveys
Wetland Boundaries
Global Positioning Surveying (GPS)
Municipal Boundary Adjustments
Construction Staking
Machine Control Surveying support for Utilities
(gas, power, fiber, etc.)
Surveying support for A/E firms

Subsurface Utility Engineering (SUE)

All four levels per ASCE specifications
Vacuum Excavation
Utility Coordination
Preliminary Review
Utility Impact Statements
Utility Relocation Recommendations and Owner
Negotiations
Construction Conflict Resolution
Utility Relocation Plans

Construction Management

Construction Contract Administration
Resident Construction Representatives
